

## Join in SG Environment Group's Autumn Litter Pick

Come join the Shamley Green Environment Group for our Autumn litter pick on Saturday 19th October at 1100. We'll meet at the Arbutnot Hall and everyone's welcome, it's a lovely family-friendly event with a hint of competition as the winning team collecting the most rubbish is awarded both sweet treats and lots of kudos! As always the litter pick is followed by coffee and homemade cakes at The Malt House. Why not bring your dog for a multi-tasking walk? If you can't make the pick, perhaps bake a cake for hungry volunteers?
